Re: MOTION TO INTERVENE in the Application of Arizona American Water
Company for increases in its Rates and Charges for utility service

DOCKET NO. W-01303A-10-0448

As President of the Verrado Community Association, Inc. (Association), I am requesting that the Association be allowed to intervene in the application for increases in the water rates and charges filed by Arizona American Water Company. The Association is a customer of the Utility and therefore has an interest in any increase in the water rates charged by the Utility's Agua Fria Water District. The Association also represents numerous residential and commercial customers who are facing significant rate increases. Therefore, on behalf of the Association, I am requesting that the Association be allowed to intervene in the rate case.

Sincerely,

Melinda Gulick
